    c. Students enrolling after the first of the term will have their tuition prorated.
    d. Individual and summer lessons will be billed at the hourly rate corresponding to the tuition amount.

2. **Studio Website and Online Student Studio Accounts:**
    a. The primary means of communication, scheduling, invoicing, and other administrative matters will be via e-mail, text, and the studio website, https://lisathomas.duetpartner.com. This is the website that you will be forwarded to if you type www.franconiafinearts.com into your browser.
    b. Students may also elect to make payments online as outlined in the "Payment of Fees and Tuition" section above. NO FINANCIAL INFORMATION IS STORED ON THE WEBSITE.
    c. Each student will be given a username and password to access their student information securely. Passwords may be changed by the student or parent. No student information will be shared with third parties.
    d. Students are strongly encouraged to log in on a regular basis to view their account, check their schedule, and receive important updates.

3. **Recitals:** Participation in each Studio Recital is optional, but encouraged

4. **Festivals, Competitions, and Other Events:**
    a. Participation in festivals, competitions, auditions, and other events outside the studio is absolutely and completely optional.
    b. Event fees:
        i. Virtually all of the NVMTA, Springfield Music Club, Guild, and other events have registration or entry fees. Full payment of the registration fee must accompany the event registration in order for the student to participate.
        ii. Additionally, a studio administration fee of $20 for the first event and $10 for each subsequent event in the *same* festival or competition will be charged to cover the instructor's additional expenses.
        iii. All event fees are non-refundable.

5. **Minimum Enrollment, Withdrawals and Refunds:** There is a **three month minimum enrollment** for all lessons. Two week's written notice is required to discontinue lessons. The remaining amount due to or from Franconia Fine Arts will then be calculated using the pro-rated tuition amount and invoiced or refunded as applicable.

6. **Termination:** The studio reserves the right to terminate lessons for any student at any time. The remaining amount due to or from FFA will then be calculated using the pro-rated tuition amount.

7. **Missed Lessons and Make-up Lessons due to student absence:**
    a. During the course of the school year term (with the exception of sudden illness), students are allowed two absences in total in order to be guaranteed a makeup lesson. 24-hour advance notice must be given. Make-up lesson credits, not cash credits, will be assigned.
    b. Once two lessons have been missed, no guaranteed makeup lessons will be offered. The student may, however, be put on the makeup waitlist (see above). These students will be notified if openings become available.
    c. No refunds will be given for lessons missed by students under any circumstances.
    d. **All makeup lesson credits will expire on June 13, 2026**.

8. **Instructor Absence:** Should the instructor be absent, students and parents will be contacted as soon as possible to schedule a make-up lesson. If a makeup lesson cannot be scheduled, students will be issued an account credit or offered a refund.

9. **In-person Lessons:** In-person lessons are held in the instructor's home (6300 Walkers Croft Way, Alexandria, Virginia) or at Life Community Church (3500 Franconia Road, Alexandria, VA).
    a. Students who are feeling unwell must not attend in-person lessons and may take the day's lesson online or reschedule it.
    b. In the event of inclement weather, in-person students may have online lessons.

10. **Practice:** Regularly-scheduled practice time must be followed by the student.
    a. A detailed lesson/practice sheet will be printed at the lesson or emailed to the student and/or parent within 24 hours of the lesson. It will also be available on Google Drive.
    b. The sheet will contain exact instructions on what is to be practiced and how it is to be practiced. Of course, going "above and beyond" practicing by reviewing old material, moving forward in lesson books, or sight-reading new material, is strongly encouraged.
    c. If the student "runs out" of material to practice, please let the instructor know at the next lesson so additional material can be added to the practice sheet.
    d. Please see the Studio Handbook for additional information on practice.

11. **Practice Equipment:** Please see the Studio Handbook..

12. **Books and Materials:** The studio uses instructional materials from a variety of publishers, tailored to the needs of each student. Students will be contacted about the need for additional books and materials as it arises.
